SUPERSTRESS SOLUTION: RECLAIMING YOUR MIND, BODY AND LIFE FROM THE SUPERSTRESS SYNDROME

Transworld Publishers Ltd. Paperback. Book Condition: new. BRAND NEW, Superstress Solution: Reclaiming Your Mind, Body And Life From The Superstress Syndrome, Roberta Lee, For most people, life today means less sleep, less leisure, and less exercise; semi-present parenting, junk food eaten on the run, more caffeine and more work. And so the insidious biological cycle continues. "The SuperStress Solution" shares world-renowned integrative physician Roberta Lee's unique prescription for recognizing, rebalancing, and protecting against the symptoms of SuperStress. It provides a comprehensive questionnaire to help readers evaluate their own level of stress, as well as a healing four-week programme - a series of small, easy-to-incorporate steps toward physical and emotional wellness - that will reset the...
