

The Mushroom Diaries

By Dominic Lyne

DPL Publishing. Paperback. Book Condition: New. Paperback. 232 pages. Dimensions: 9.0in. x 6.1in. x 0.7in. When you've opened your mind so often, allowed it to journey on the other side of reality's mirror frequently, it changes. Small things, gaps left visible, a wafer thin barrier is all that separates the sides. Visions living in your head, memories pulled up from the past and acted out with clarity, past confusions solved painfully in dreams. Reality splitting. By remembering you reopen, old cuts bleed afresh. Welcome to madness. Based upon journal entries and notes written at the time, The Mushroom Diaries catalogue six of the trips the author and his boyfriend experienced as they allowed their mushroom induced visions to lead them through the streets and subways of London. The Mushroom Diaries is the story of two people, a twisted romance coloured in glorious Technicolor. This item ships from multiple locations. Your book may arrive from Roseburg, OR, La Vergne, TN. Paperback.
