And it is true I can divide Fibonacci s number (after the fourteenth in his sequence) by the next highest in number: it is precisely .618034 to 1. .618034 is nature s proportion-her golden mean: it exists in sunflower seeds, shell spirals, spider webs, ferns, the perfect rectangle, in playing cards, the Parthenon s facade. Another night of memories, a night for murder. Incessant wind, rain. Vitelli. But there was more than this young man s death. There was Giamina Andres da Ferrara. GAF. The officials of Milan murdered GAF.the officials!: They had him hung, drawn, and quartered, in the Public Square. GAF. I fled to Mantua, as if I could forget in Mantua! So much of life is fleeing. So much is trying to forget. Rain. Those youthful faces.Vitelli, 24 years old.Ferrara, 33 years old.artists. good men.friends. Perhaps there is something to be said about this remote chateau, this little manor house, these woodlands, paths, fields, this Loire; I should be able to put...
