By Hart, Stephen

University of Chicago Press, UK, 2001. Softcover. Book Condition: New. First Edition. Available Now. Book Description: Despite there having been no significant move to the right in recent years in public political opinion, conservatives have fared much better than progressives. This text explores the reasons for this pattern through examination of case studies of grassroots movements. The author shows how such groups develop distinctive ways of talking about politics and create characteristic stories, ceremonies and practices. : About the Author: Stephen Hart is an adjunct member of the sociology department at State University of New York, Buffalo.
