It possessed of small capital, upon the security of responsible persons, that much of the prosperity of Scotland has originated. The practice is capable of abuse when it interferes with the maxim, which presents Banks advancing capital to their customers, but, it may be observed, that the possession of character, prudence, and skill, is often a better guarantee to the creditor than the possession of capital, which may be injudiciously managed, and finally lost; that, after all, the test of sound banking is the judicious use of capital, by loans to such persons as will employ it, so that it may be reproduced with profit; and that a knowledge of circumstances may render at times the strict application of a general rule unnecessary, although it may be kept in view amongst other considerations. Under the check of responsible securities, this system has worked well,...
