The Call Goes Out is a series of messages channeled from the cetacean species - whales and dolphins. This book graphically spells out why they are here on Earth, how they work with extraterrestrials, and how we humans are interfering with their mission. They make an impassioned plea for us to stop whaling and cease using fishing nets, and also to free whales and dolphins in captivity. Readers will have their eyes opened to the rich culture and family life of another intelligent species on this planet. The Call Goes Out is a simple, direct plea from the heart to stop killing those who are trying to help us. Dianne Robbins, in her transmissions, courageously brings forth the essence of the magnificent intelligence of the Cetaceans; their compassion, humor and profound act of self-sacrifice....
